

NATIONAL ASSOCIATION OF  
AMUSEMENT RIDE SAFETY OFFICIALS

INSPECTOR CERTIFICATION  
PROGRAM RULES

Requirements for Applicants Who Wish to be Certified  
as an Inspector of Amusement Rides & Devices

LEVEL II (ADVANCED)

*Applicants must:*

- Have **current** Level I (Basic) Certification
- Have five (5) years of experience and current employment in the design, manufacture, repair, operation, or the inspection of amusement rides and devices, and **provide a letter from employer to verify employment.**
- Pass a written exam which shall cover advanced topics in areas such as, but not limited to, welding, electrical, mechanical, hydraulics, pneumatics, nondestructive testing, ASTM, blue print symbols, and amusement ride safety knowledge
- With each renewal application (every 2 years) **provide evidence of appropriate hours of training** or education units prior to March 31 of the year of certification expiration. Within the past two years, the applicant must have acquired 32 hours of pre-approved formal training which shall consist of amusement ride seminars, conferences, and/or local training on related subjects such as welding, hydraulic, electrical or mechanical systems. Failure to submit required evidence could result in the delay or revocation of a certification. NAARSO shall maintain a file on each member and retain copies of all training documentation.

ISSUANCE OF CERTIFICATION, RENEWAL OF  
CERTIFICATION, AND CERTIFICATION  
SUSPENSION

Successful applicants will be issued a certificate as an Amusement Ride and Device Inspector by the Executive Director or his designee. A NAARSO Certification is valid for two (2) years and will expire on March 31.

The Issuance of  
Certification by  
NAARSO

signifies that the holder has met certain requirements as set forth in the National Association of Amusement Ride Safety Officials rules. NAARSO neither employs nor supervises the commission holder. Proper performance of the inspection duties assigned to an inspector is the sole responsibility of the inspector's employer.

THE EXAMINATION

shall be in writing and shall be conducted by members of the Examination Board with at least two members present at all times during the examination. The examination shall be confined to questions which will aid in determining the fitness and competency of the applicant. The examination shall be prepared and administered by the examination board.

The examination will be given on dates and at locations approved by the Examination Board.

The applicant must attain a minimum grade of 80% to become Certified. **Unsuccessful applicants may not be retested for a period of one hundred eighty (180) days from the examination date.** Failure to provide required documentation may delay the receipt of examination results.
