2026 FEE SCHEDULE

This fee schedule provides information and fee rates for NAARSO certifications. All payments are non-refundable and must be paid in U.S. dollars for the full amount of the fee required. Fees will be accepted when all requirements are met in accordance with NAARSO certification program rules. Further information can be found at www.naarso.com.

All applicants for certification testing shall fill out the associated application and submit all requirements *before* they are permitted to take the exam. Examination fees are due before the exam, except in cases where invoicing is agreed upon. Inspection certification holders must submit the required proof of visual acuity for each renewal. All certification holders must pay the applicable fees and submit all required documents in order to renew. A certification period begins April 1 and expires on March 31 after the applicable certification period of 2 years.
